## ANNUAL BAR-B-Q AT ARGO ATHLETIC CLUB, UWF TUESDAY, APRIL 8, 6 PM UNDERWATER PALEOINDIAN SITES IN FLORIDA

The April PAS meeting and annual Bar-B-Q will be held at the UWF Argo Athletic Club **April 8, Tuesday at 6 PM.**

The Bar-B-Q dinner will be catered by Sonny's which means plenty of good food for all. Reservations are in and a great group will gather again this year.

James Dunbar, Senior Archaeologist for the Florida Bureau of Archaeological Research (retired), will present our program about Submerged Paleoindian Sites in Florida. He has worked on many of these sites during his time with the state and will share information you may never have heard before. Paleoindian sites are an appropriate topic for our program since they were the topic for this year's Florida Archaeology Month posters.

Plans are underway for 5 different field schools at UWF this summer. The Forensic Field School students will learn excavation techniques as well as methods used to locate clandestine graves. The Underwater group will learn to survey using remote sensing equipment as well as underwater excavation and mapping techniques on sites in Pensacola Bay as well as those up some of the rivers in our area.

**PAS MEMBERS ARE INVITED TO ATTEND THE FIELD SCHOOL ORIENTATION ON MAY 19 AT UWF BEGINNING AT 9 AM.** There may be volunteer opportunities at some of the sites this summer and this preview of what to expect during the summer excavations will be useful information. A room for the orientation has not been set at present, but if you plan to attend, call the Archaeology Institute for the location (474-3015).

## ***GET IN THE SPIRIT CELEBRATION AT ST. MICHAEL'S CEMETERY***

This annual celebration at St. Michael's Cemetery is scheduled for April 12 from 10 am to 2 pm. It's a great time to get out and enjoy the spring weather and enjoy learning about our local history. *Get In The Spirit!*

## **FIELD LAB OPPORTUNITY AT ARCADIA MILL ARCHAEOLOGICAL SITE THIS SUMMER**

Excavations will continue in the area of the old Simpson House at the Arcadia Mill site this summer. You can tour the site and then get your hands dirty as you help clean the artifacts from the excavation.

Lab dates will be the following Fridays 10 am to 2 pm. Bring a lunch and drinks if you plan to stay the entire time. Dates are May 30, June 6, 13, 20, 27, July 11 and 18.

## SUMMER ACTIVITIES FOR PAS MEMBERS

Each summer the PAS Board plans some activities for the membership to keep everyone in touch during the summer break in membership meetings. This year is no exception. Plans are being finalized to offer several trips and activities during June and July. These may include a trip to the Temple Mound Museum in Ft Walton Beach; tour of the Archaeology Institute, museum, archaeology and conservation labs at UWF; site visits during field school excavations; museums and Historic District open house on June 7 from 10 am to 4 pm.

If you have any other ideas about activities for the summer months, please contact any board member. The Florida Archaeology Month trip to the Archaeology Museum at the University of South Alabama was a great success and the meal along the way was excellent. We hope you will join us for more of these trips!
