PAS ANNUAL BAR-B-Q and Vampires and the Bioarchaeology of the Undead Tuesday, April 14, 6 PM

Don't forget the Annual Bar-B-Q reservations are due by **April 10**. See the March newsletter for details and reservation form. If it is too late to mail the form for it to ARRIVE by April 10, email Norine Carroll at ncarroll@uwf.edu or call 474-3015.

Dr Lesley Gregoricka of the University of South Alabama will speak at the annual PAS Bar-B-Q on April 14 at 6 PM at the Argo Athletic Club at UWF. Dr Gregoricka's presentation, "Vampires and the Bioarchaeology of the Undead," is a fascinating look at the archaeological results of European folk beliefs in vampirism and the threat posed by the restless undead. The effects of these beliefs have been found in burials, primarily in eastern Europe, revealing a fear that once was believed very real. Join us for this compelling lecture! Tickets are required as dinner is included

We will see you at 6 PM at the UWF Argo Athletic Club on Tues., April 14. As usual, we will enjoy the bar-b-q and sides provided by Sonny's. Remember the meeting starts earlier than usual. See you there.
